
Health & Wellness Ministry

Buttafleye Ministry

Ministry Mission:

To edify lives through the word of the Most High God by providing resources, information, health fairs, or other programs that will heighten awareness and increase knowledge about what it takes to keep God's temple (body).

Ministry Vision:

To empower individuals to take active roles in managing their health and modifying their behaviors to live longer. The ministry will attend to the spiritual and the eight dimensions of wellness.

Ministry Scripture Reference:

"Do you want to get well?" – John 5:6

Ministry Description /Purpose:

To provide ongoing educational classes, courses, seminars, and provide access to healthcare professionals. The ministry will offer temperature checks and blood pressure screenings to the community regularly. It will partner with various local organizations, professionals, and ministries to maximize resources that will allow individuals to improve their health.

Spiritual gifts, skills, and traits desired for people considering serving in this ministry:

- A loving heart with a spirit of dedication and dependability.
- Willingness to learn skills to help grow and screen our ministry population.
- Willingness to share information to increase awareness of health risk factors and ways to improve health naturally.
- Ability to maintain confidentiality and obey the word of God.
